

Fair Value Assessment Outcome

PRODUCT	Parishguard Insurance
DATE OF ASSESSMENT	January 2024

Product Intended Value Statement: The intended product value of Parishguard Insurance is to enable customers to manage and reduce the risks associated with the management of UK church bodies.

Our Fair Value Assessment and Product Review process has been designed to ensure that this value statement remains true for the foreseeable period in line with PROD 4 rules.

Having reviewed all of the below information, we are satisfied that this product provides fair value when sold appropriately to the target market.

This statement should be read in conjunction with our Target Market Statement which shows the needs, characteristics and objectives of the target market and the benefits the product is intended to provide.

	Assessment Data/Approach	Outcome and key actions
PRODUCT METRICS AND COVER	 We undertake an in-depth analysis of key data including the following: Gross written premium and policy count New business and retention rates Loss ratio and claims frequency Complaints data Claims repudiations and ex-gratia payments Customer tenure 	Having undertaken a qualitative and quantitative review of the product using all available information, we confirm it provides ongoing fair value for the intended target market.
	As this product has a number of optional sections of cover, we have assessed the components individually as well as the product as a whole.	
	As part of our approach we have also reviewed available customer, broker and market feedback and taken our competitive positioning in to consideration.	
	We have assessed the product with the target market in mind, including any vulnerability considerations.	

	Assessment Data/Approach	Outcome and key actions
